Deworming and flea & tick log

Copy the plan from your vet once, then log every treatment: the date, the product, who gave it and when the next one is due.

The schedule, the products and the doses come from your vet. Write them down exactly as prescribed or as on the label.

Pet and vet

Pet's name

Species

Vet

Clinic phone

Plan from your vet

Product (as on the box)	What it covers (as on the label)	How often (as prescribed)	Prescribed on

Treatment log

Date	Product	Dose given (as prescribed)	Next due	Given by	Notes

Pettify pettifyapp.com

Keep it on your phone too: Pettify reminders repeat weekly, monthly or yearly, and you can mark one done right from the notification.
