

Dog feeding schedule

The meal plan from your vet or the food label, and who fed each meal, so no meal is missed or given twice.

Amounts come from your vet or the food label. This sheet only records them; it never says how much to feed.

Pet and food

Pet's name

Weight (lb)

Food (brand and type)

Daily amount (from the vet or label)

Vet

Clinic phone

Meal plan

Meal	Time	Food	Amount	Notes
Meal 1				
Meal 2				
Meal 3				
Meal 4				

Who fed: week 1 (initials or time)

Meal	Mon	Tue	Wed	Thu	Fri	Sat	Sun	Usually fed by
Meal 1								
Meal 2								
Meal 3								
Meal 4								
Treats								
Fresh water								

Notes

 **Pettify** pettifyapp.com

Keep it on your phone too: Pettify reminds you of meals, and once someone ticks one off, the reminder stays quiet on the other phones.

Owner's personal record. Food and amounts come from your veterinarian or the food label; this sheet doesn't replace their advice.
